

Heroin & Methadone Workshop

Who is the session for?

The session is designed for those working in specialist drug and alcohol services within the voluntary and statutory sectors and other professionals dealing directly with heroin and methadone.

Session objectives:

By the end of the session participants will have:

- Increased their knowledge and understanding of opiates and their illicit use
- Considered how to respond to heroin users and significant others with more confidence
- Reflected on their roles and responsibilities when working with heroin and methadone
- Increased their knowledge of the role of substitute prescribing in the treatment of heroin addiction
